EXTRA SESSION IN MARCH

[Associated Press Cable]

TRENTON, N. J., Dec. 25.—Finally issuing a statement as to his plans for a congressional session to revise the tariff subsequently to his inauguration at President of the United States next March, Governor Wilson, of New Jersey, yesterday afternoon, announced that he had decided to set March 15 as the date for an "extraordinary session."

This session, he states, will be to consider the problems of general tariff revision in all its schedules. The date was not announced definitely, the Governor stating that in all probability he would call it at once upon taking office in order that it could convene ten days subsequent to the date of his inauguration. His announcement comes following conferences between himself, William Jennings Bryan and other Democratic leaders.

Over-Night FEDERAL Wireless To the Advertiser

The attempt on the life of Baron and Lady Hardinge by an Indian fanatic kept the police and civil authorities of the Imperial City of India occupied today.

Some believe that the attempted assassination was the work of a Bengalee, who was trying to avenge what he considered an insult—the removal of India's capital from Calcutta to Delhi.

Many arrests have been made, but no clue to direct assassin.

A bulletin this morning by the doctors in attendance on the Viceroy says: "Baron Hardinge had a restless night. It was necessary to relieve his pain with injections of morphine. He suffered little fever last night and none was present this morning. It was found through the operation last evening that the muscles under the shoulder blade was rather severely torn."

Driven before a blinding blizzard, the United Fruit steamship Turbina went on the shoals off Egg Harbor light, early today.

It is not expected that relief boats can reach the wrecked steamer before tomorrow, as the weather shows no sign of clearing.

The liners Amerika, George Washington, La Poland, Rotterdam, Martha Washington and several other steamers from East Indian and South American ports, are held off Ambrose lightship, New York, today by a howling gale.

New York City today found itself in the grip of the first blizzard of the winter. A snowfall which began shortly after midnight continued through the morning. At sunrise Broadway was covered six inches deep with a white blanket, with a shifting wind whirled into deep drifts.

The Pope, during his Christmas reception to the cardinals today, referred to the peace conference, saying that all Christians should unite in prayer that the outcome of the present conference of the Nations should be for peace, for which he rejoiced that there was new and reasonable hope.

The Pope deplored the attempts to assassinate the Viceroy of India at Delhi.

Booty worth \$50,000 was the prize missed by the bandits who held up and attempted to rob the Chicago & Alton passenger train "Hummer," near Illinois Junction, four miles south of Springfield last night.

In the safe, which resisted five attempts to break it, was money, jewelry and other valuables.

The robbers worked forty-five minutes in the express car, giving a switch-engine carrying officers time to reach the scene. When the robbers heard the engine approaching, they fled, firing a few shots at the officers.

The express car safe was badly shattered, but was not opened.

In the course of its investigations of the rates, practices and regulations governing the transportation of anthracite coal the interstate commerce commission today called on all anthracite

coal-carrying railroads, and their affiliated coal companies, to furnish the commission, by March 1, detailed information as to their coal operations.

One regiment of infantry, one of cavalry and two companies of the Coast Artillery Corps will sail for Honolulu on the transports leaving January 5 and 6.

The official orders from the war department ordering the Tenth and Sixty-eighth companies of the Coast Artillery Corps, and the entire regiment of the Twenty-fifth Infantry to Honolulu for station, have just been received at headquarters.

The Sixty-eighth company of the Coast Artillery Corps, now stationed at Fort Morgan, will also leave for Honolulu shortly. In addition to the artillery companies, the Fourth Cavalry, now stationed at Fort Huachuca, will embark on the Sheridan and Logan for Hawaii.

It was learned from an official source today that the Powers are quietly advising Turkey to abandon Adrianople and to accept in principle the terms offered by the Balkan Allies.

The peace envoys conferred at their various hotels today and sent numerous telegrams to their several governments.

Some of the plenipotentiaries are preparing to go home, ostensibly to spend Christmas, but in reality to consult with government heads, and obtain final instructions.

An order issued today by Dr. J. W. Glover, quarantine officer of San Francisco, stated in view of the occurrence of three deaths from bubonic plague at Hilo, Hawaii, and in accordance with instructions from Washington, all vessels arriving at San Francisco from Hilo, or having touched there, will be fumigated unless they present a certificate showing that they have been fumigated at Hilo. This fumigation prior to their departure must be done by the officers of the public health service stationed at the island.

Whether or not the vessel will be allowed to discharge her cargo before fumigation will depend on the nature of the cargo and the condition of the vessel, to be decided by the quarantine officers.

MISS DRAHMS TO WED DR. HINDLEY OF HILO

[Special Star-Bulletin Correspondence]

HILO, Dec. 25.—The wedding of Miss Agnes Sage Drahms and Dr. Godfrey Douglas Hindley, both of this city, will take place on January 1, being very quiet and private, on account of the illness of the bride's mother. After the ceremony the couple will leave at once for Kona, where they will spend their honeymoon, returning to their home at the corner of Waiantenne and School streets in this city. Miss Drahms is the daughter of Rev. and Mrs. August Drahms of this city, and is a California girl of great charm, who has been in this city for the past two years. She is a graduate of the University of California and has been connected with social settlement work both in San Francisco and in this city.

Dr. Hindley has been in Hilo for a little over a year and stands high among the physicians of this island. He is English by birth and a graduate of Oxford. After practicing in England for some years, he came to the United States, starting in practice at Santa Barbara, California, where he remained for several years before coming to this city.

HONOR HONOLULU.

Alan J. Lowrey has been elected as second marshal of the senior class at Harvard. Election as marshal is considered one of the highest social honors to be won at Cambridge.

The place of the first marshal goes as a rule to the captain of the winning football team, and this year Percy Wendell has that post. The election of Lowrey is a proof of his popularity with his class. He won his class numerals at baseball, and later played on the varsity squad though he did not make the team. He has been on the varsity soccer and tennis teams, heading the latter this year. He has been president of his class and in other ways has shown prominently in the annals of 1912. Lowrey is the son of F. J. Lowrey, president of Lewers & Cooke, and is a graduate of Oahu College.

MAUI COUPLE WED.

[Special Star-Bulletin Correspondence]

WAILUKU, Maui, Dec. 25.—Miss L. Ethel Hutchins, teacher of the private school at Makawao, and F. G. Stevens, bookkeeper of the Puunene store, Kahului, were quietly married at the Church of the Good Shepherd in Wailuku this morning at 8 o'clock.

The wedding breakfast was served by Proprietor Field at the Maui Hotel immediately after the ceremony. Mr. and Mrs. Stevens will live at the private school cottage at Makawao. Both will keep on in the work in which they have been engaged.
